

Your smartest start to the world's top 2% university

UniSmarter's Masters Qualifying Program (MQP) is your online pathway to multiple Masters Degrees in Australia.

Why UniSmarter?

Entry to multiple Masters degrees

Developed in collaboration with leading institutions, UniSmarter's MQP is recognised for admission to top PG Master's degree programs.

Save cost

By starting online, you can save up to 65% on costs - with no extra housing, living or travel expenses - while you earn credits in your overseas program.

Save time

Start immediately! Get a head start in your program by starting right away. Each module is just 7 weeks in duration, so you can complete them while you prepare to go overseas.

Tailored for student success

With live sessions and your own personal tutor, UniSmarter's flexible online program has a 90% demonstrated success rate. Speak to your tutors 7 days a week on phone, text, email or chat.

Prepared for overseas education

Demonstrate your commitment to securing an international degree before arriving. Get to know your future university through virtual tours, 'lecturer in the field', and Facebook Live.

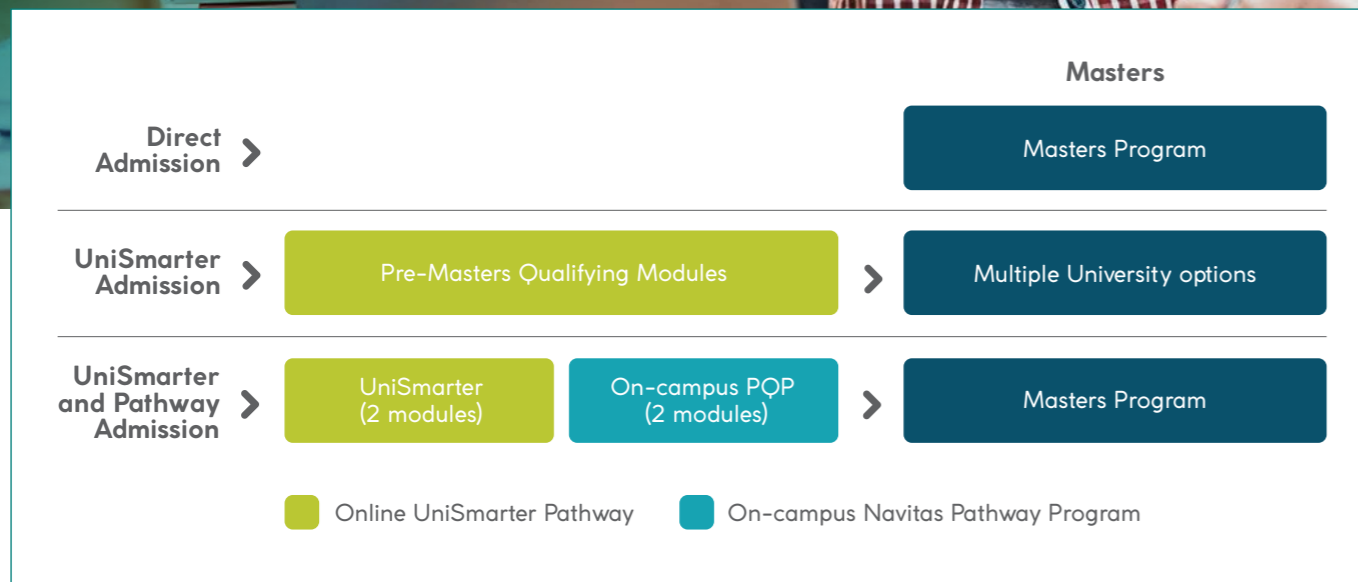

Get 'real-world' education online

The virtual learning environment delivers the most relevant and up-to-date content. Get experience for future roles by working remotely and developing peer connections online.

Complete your Masters in the world's top 2% university

Study on campus in Brisbane or Gold Coast at Griffith University, the world's top 2% university. Over 50,000 students enjoy Queensland for its subtropical climate, welcoming environment and mixture of natural wonders and vibrant city life.

Griffith is known for its high-impact research, outstanding student experience and commitment to social justice. Come be prepared for the future with our high quality degrees that are developed in consultation with industry, based on cutting-edge research, and taught by Australia's most awarded teachers.

What will you study?

The Masters Qualifying Program will help you develop the core skills you need to succeed at university.

Successful completion of all 4 MQP modules + a GPA of 4, allows students direct entry into a broad selection of Masters programs at Griffith University.

- > Creative and Critical Thinking
- > Applied Concepts
- > Research Methods
- > Interactive Learning Skill and Communication for Postgraduate study
